Allowable Subject Matter

Claims 1-39 are allowed.

The following is an examiner's statement of reasons for allowance:

The cited art taken alone in combination fails to teach the claimed invention of adjusting computer depictions of traces routed through a routing space of an electronics system.

Specifically, claims 1, 16 and 32 are directed towards parameter defining routing space, traces and obstacles within routing space, determine spacing between nodes of each trace, adjusting number of nodes, assigning force to nodes of each trace based on proximity of nodes to objects within routing area and moving nodes in accordance with force. Therefore, the claimed invention improves CAE or CAD computer products process also aid in creating paths through the apparatus and improves computer product for adjusting paths to reduce complexity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
